Re: WA DOT 401(1)  
Dismal Nitch/Megler Safety Rest Area and Access Improvements  
Contract No. DTFH7016C00032

Dear Mr. Conway:

In accordance with the general provisions of the contract, you are hereby advised that work performed by your company is considered to be substantially complete as of November 16, 2016.

You are considered relieved of further maintenance obligations. However, you are not relieved of your other responsibilities under the contract until final payment is made by approval of the final payment voucher.

On behalf of WSDOT, Lewis and Clark National Historical Park and the Federal Highway Administration, I would like to thank you for your work and cooperation in the successful completion of this project. We truly appreciated Ken's and the entire Conway crew's spirit of teamwork and their professionalism throughout this project and we look forward to working with you again in the future.

Sincerely,

Craig E. Sanders,  
Construction Operations Engineer
